

Business License Fees

The City of Selma's contractor business license fees needs to be brought up to present day standards. In comparison to the State average, the City of Demopolis, and the City of Prichard, Selma's contractor license is past due for an increase. Increasing the license fee will enable the Building Inspector Department to provide higher quality and more efficient services by adding an assistant building inspector position into the department. An increase to \$300 will generate the salary for the assistant.

City	Current License Fees	Upgrade Fee
Selma	\$55	
State of Alabama	\$100	
Demopolis	\$275	
Prichard	\$300 plus percentage of gross receipts	

Building Inspector Fees

The City of Selma is creating Inspection fees to maintain standard operation cost.

SERVICE CALLS	MONTGOMERY Inspection Fee	PRATTVILLE Inspection Fee	TROY Inspection Fee	SELMA Inspection Fee (current)	SELMA Inspection Fee (New)
